SFF x SWITCH

A First-of-its-kind Collaboration

Singapore FinTech Festival (SFF) and the **Singapore Week of Innovation and TeCHnology (SWITCH)** will come together as **SFF x SWITCH**. Together, it will form a comprehensive showcase of innovative technologies across **5 key sectors** to prime business transformation.

This integration will serve as an inspirational cross-industry platform for greater exchange and learning, deepening of tech capabilities, synergistic application of resources, and partnership development for commercialisation.

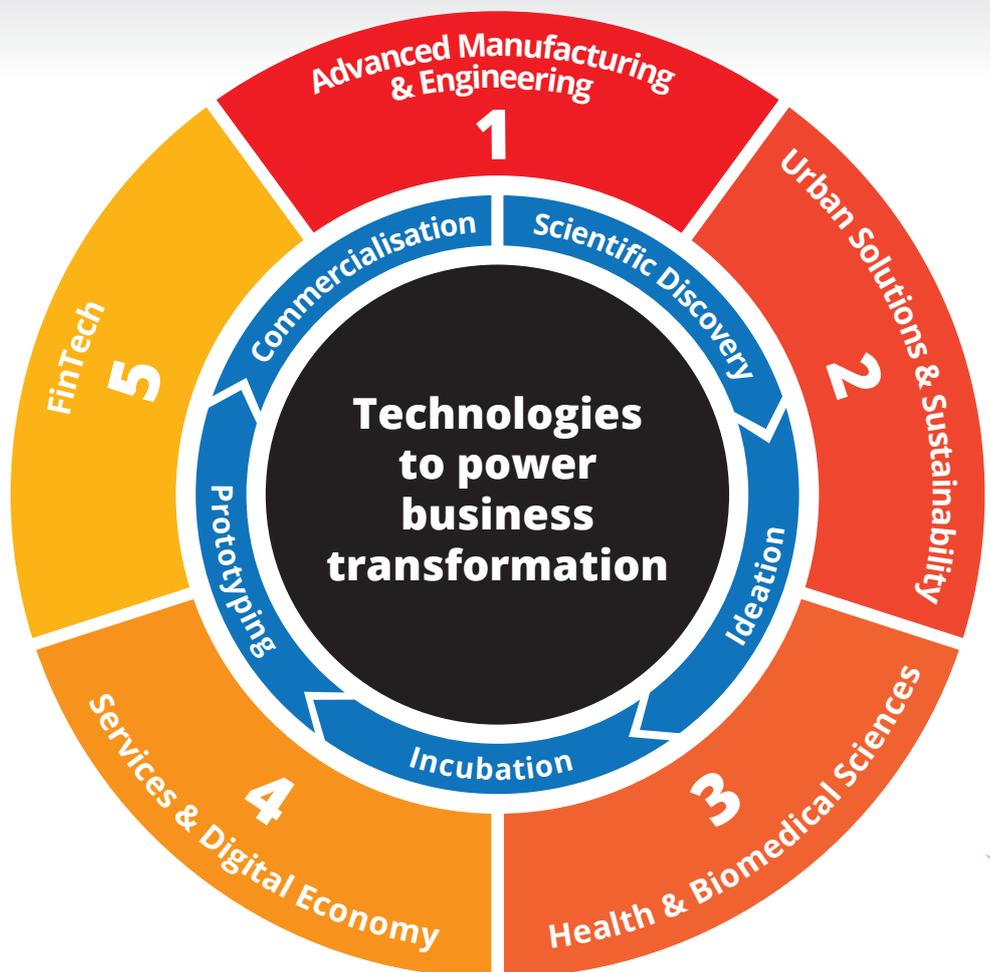

Combined, both events drew close to **57,000 delegates** from almost **130 countries** in 2018.

FOR INNOVATION

CONFLUENCE OF GLOBAL TECH ECOSYSTEMS

A week of activities bringing together global tech ecosystems, comprising entrepreneurs, investors, researchers, innovators and industry professionals across **5 key sectors**.

SINGAPORE FINTECH FESTIVAL

Singapore FinTech Festival is the world's largest FinTech festival and global platform for the FinTech community, comprising FinTech players, technopreneurs, policy makers, financial industry leaders, investors including private equity players and venture capitalists, and academics. The multi-format conference and exhibition will showcase latest technologies and trends.
