

Reseller Corporate Profile

Company Name: Condition Zebra Sdn Bhd

Company Background:

Condition Zebra is an information security and risk management solutions provider, offering one stop solutions including applications, services and education. Condition Zebra's strategies of combining key technologies with exclusive expertise aims to mitigate operational, legal and financial threats for organizations, and reduce risk to a manageable and resolvable level. Since established in 2007, Condition Zebra has trained more than 20,000 information security professionals from corporate and government agencies. In 2015, Condition Zebra was selected as the winner for "Cyber Security Education and Training Provider of the Year" in the Malaysia Cyber Security Award 2015, by CyberSecurityMalaysia. Meanwhile, Condition Zebra also provides comprehensive vulnerability assessment and penetration testing to identify and validate security threats in organization's digital assets. We combines advanced vulnerability assessment technology and information security experts' manual testing to maintain high quality services.
