

Reseller Corporate Profile

Company Name: MYI Technologies Sdn Bhd

Company Background:

MYI has grown exponentially over the past 5 years yet still remains focused on network securities and industrial automation. Our team members have the industry certifications to provide customized solutions and make our clients feel one of a kind. Our engineers are keen on standardization and documentation for our clients in order to combat any problems that arise. With this reassurance, our clients can count on us to get the job done quickly and efficiently. We constantly monitor for any trends and patterns that may emerge and prevent problems from recurring in your business. Founded in 2009, MYI Technologies Sdn Bhd continues to build on a strong reputation for outstanding IT solutions and customer service. It is our mission to help customers achieve their business objectives by delivering and supporting cost-effective IT solutions and services.
